

COUNTY OF YORK

MEMORANDUM

DATE: March 31, 2005 (BOS Mtg. 04/19/05)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator 

SUBJECT: Application Review – Justice Assistance Grant Program - Sheriff's Office

County staff has been working with the Sheriff's Office to secure grant funding under the Justice Assistance Grant Program offered by the Federal Bureau of Justice Assistance (BJA). This program replaces the Local Law Enforcement Block Grant (LLEBG). The Sheriff's Office has received the LLEBG grant for the last six fiscal years and has used the funds to purchase various pieces of equipment to enhance law enforcement efforts within the County.

The Sheriff's Office is requesting \$23,074 for the purchase of three Motorola Digital In-Car Video Systems. This system was selected because it interfaces with the County's 911 CAD software that will be installed in FY2006. A local match is not required for the JAG program.

Description	Estimated cost
Motorola Digital In-Car Video system (3 each)	\$23,074
Total	\$23,074.00

The guidelines for the JAG program require the County to hold a public hearing to obtain the public's opinion on the proposed use of the funds prior to submitting the application. The required public hearing has been scheduled for April 19, 2005. The application does not require Board action and therefore no resolution is attached for the Board's consideration.
